Are you a current Member of SBE Chapter 16?:  Yes  No Membership #: \_\_\_\_\_

## **The SBE Chapter 16 Arne Skoog Memorial Scholarship Fund**

### **Scholarship History**

Arne Skoog was an active Member of the Society of Broadcast Engineers (SBE) Chapter 16, serving as the Chapter's Below 1 GHz Frequency Coordinator. He was very well-known in many areas of the NW, and he was a kind friend to every Broadcasting Engineer he met. In his memory, SBE Chapter 16 established the **SBE Chapter 16 Arne Skoog Memorial Scholarship Fund** to award scholarships to SBE Chapter 16 Members interested in furthering their knowledge of broadcast engineering, through accredited education programs or certification exams.

### **Complete the application**

Answer all questions to the best of your ability. Information will be disclosed only to scholarship committee members.

### **Criteria & Eligibility**

To be eligible for the **Arne Skoog Memorial Scholarship Fund**, candidates must have a career interest in the **technical** aspects of broadcasting. These scholarships are typically presented to applicants who have some work experience in broadcast engineering and who are interested in continuing their education in order to advance their careers. Preference is given to those SBE Chapter 16 members who exhibit a sincere interest in broadcasting as shown through recent achievements, or have demonstrated their participation in Chapter activities (i.e. – attending meetings, service on the Chapter Board or on a Board Committee, & Waveguide submissions).

Following the deadline for application, the Scholarship Committee will recommend their recipients of the awards to the Chapter 16 Board. Upon approval, the Chapter 16 Board will distribute the funds to the approved recipients (for smaller awards), or to the recipient's enrolled institution (for larger awards).

Scholarship awards vary between \$150 and \$500. Recipients are limited to one scholarship award per year. Funds can only be used for tuition, books, related instructional and testing preparation materials, and fees associated with examinations.

**All entries must be sent to the SBE Chapter 16 Scholarship Committee, PO Box 9644, Seattle, WA 98109. Your application may also be received by any Chapter 16 Board Officer. You may also contact the Committee via email – chair@sbe16.org.**

**Method of Fund Distribution:** Recipients will present their Letter of Award to the educational institution that he or she plans to attend (or to the chapter in the case of requesting a certification exam and study materials). The educational institution shall contact SBE Chapter 16 for verification of the award. Upon completion of admission, the educational institution shall invoice the SBE Chapter 16 Scholarship Committee for the total amount of the award. The entire award must be paid within one academic year. Permission is granted to use name and image of award recipient on the Chapter’s website. False statements or mis-representations will result in forfeiture of scholarship award.
